Mission Statement

Called to be the Body of Christ to the world, the people of St. Jude Parish family strive to live out the moral values and teachings of the Catholic Church through celebration with and guidance from, our appointed shepherds in the Church.

Celebration of the Eucharist brings us into one with Christ. From this liturgical celebration shall flow our unity; awareness and loving response to the needs of our brothers and sisters in our parish family; as well as, in the community around us.

Our total commitment as the body of Christ, which gathers us into one enables us to serve the world through our various ministries.
