Year for Priests

This week, Let us pray....Loving God, we thank you for the gift of our priests; especially Fr. Noah Casey.

Heavenly Father, please grant to Your faithful servants, The grace and strength to carry out Your mission for the church each day. Keep our priests close to You and continue to inspire them to serve others in Your holy name. Please help to inspire men who are called to a priestly vocation to answer Your call and participate in the fullness that You have planned for them. Amen

Recently our 7th graders visited St. Meinrad and the following are taken from some their reflections...

'We got to see the church...it was beautiful! Our tour guide took us to the cemetery in which all the monks are buried. Did you know that all the Benedictine monks must be buried within 24 hours after their death? Also, they ring a bell after a monk has died for each year he was a monk. When the monks hear the bell, they all drop what they are doing and go immediately to the grave of the monk. My trip was a great xperience...and I look forward to going back someday!...Emily Green

'Vespers were really neat...I expected it to be like the Mass...I was really wrong. We sang to each other and read from the Bible. When it started, the lights were turned on very bright and the monks started singing. After dinner, we left for home...I thought the trip was really cool... I learned a lot of cool things about the monastery and hope I will be able to see it again.....Emma Lawrie

For Vocations...Good and gracious God, through baptism you have called us to discipleship with your Son, Jesus Christ, and have sent us to bring the Good News of Salvation to all people. We pray you to grant us more priest and religious to build up your Church. Inspire young men and women to give themselves totally to the work of Christ and his Church. Amen

Discovering God's Gifts of Creation

The Indiana Master Naturalist (IMN) course, which is going to be offered at St. Jude, provides hands-on opportunities for adults to learn from experts in the natural resources field. By attending a series of courses that focuses on our amazing Hoosier natural heritage, you will gain new insights into our natural world. Whether you know nothing or know a fair bit about nature already, there will be something for every nature lover. To become a certified Indiana Master Naturalist, participants attend all 8 classes, pass an open book test, and complete at least 24 hours of volunteer service. The volunteer service will give you a chance to put to use your new-found knowledge, as the volunteer work must benefit the community through working with natural areas (we will probably do a group project for St Jude). Consider joining the ranks of hundreds of Indiana Master Naturalists, and sign up for the 2010 St Jude IMN course.

Our classes will run Monday nights, January 18th- March 8th, with some Saturdays in the field (TBA). Monday nights will run 6:30-9:30pm, in the parish center. To find out more and register, contact Sarah Schenk at 317-865-8920 or email RoseFrancis8@gmail.com. You can also find out more about the Indiana Master Naturalist program in general at www.IndianaMasterNaturalist.org.

Campaign for Human Development

For 47 million Americans, there is a thin line: between eviction and home, between hunger and health, between unemployment and work, between anxiety and stability. This line is the poverty line, and it is set at an annual income of \$20,444 for a family of four. The Catholic Campaign for Human Development is dedicated to breaking the cycle of poverty by funding community programs that encourage independence. You are essential to its success. Your generous donations will give those in poverty the support they need to make lasting changes. Together, we can make a difference in families and communities. Please donate prayerfully and generously to the collection on November 21-22. Thank you.

BEREAVEMENT SUPPORT GROUP

The death of a loved one is one of the most difficult situations we face in our lifetime. Often we are not prepared for the long journey of grief, which follows the loss of a significant person in our lives. As a result, the Fellowship & Hope Committee invites all those facing this journey of grief to join us for a 8 week Support Group to be held every Tuesday starting November 10th in the CLOW room in Church from 7-9 pm. Please come and share your loved one's story with others in your Parish.
