### Year for Priests

*This week, Let us pray....Loving God, we thank you for the gift of our priests; especially Fr. Joseph Cody, Baltimore.*

*Heavenly Father, please grant to your faithful servants,  
 the grace and strength to carry out your mission for the church each day.  
 Keep our priests close to You and continue to inspire them to serve others in your  
 holy name. Please help to inspire men who are called to a priestly vocation to an-  
 swer Your call and participate in the fullness that you have planned for them.  
 Amen*

*For Vocations... Good and gracious God, through baptism you have called us to  
 discipleship with your Son, Jesus Christ, and have sent us to bring the Good News  
 of Salvation to all people. We pray you to grant us more priests and religious to  
 build up your Church. Inspire young men and women to give themselves totally  
 to the work of Christ and his Church. Amen*

We again extend our sincere thoughts and prayers to **Faye and Chick Scott** on the death of Faye's father, *Bennie Mason* who passed away in Vincennes on March 29<sup>th</sup> and whose funeral was celebrated on April 3<sup>rd</sup>; and as listed before to **Chick** whose father *Jim Scott* passed away on the 24<sup>th</sup>. May both be received into God's kingdom and may our prayers be with the Faye and Chick on the death of both their fathers within such a short time.

### RACE FOR VOCATIONS MAY 8, 2010

This ministry is part of the 500 Festival Mini Marathon on May 8<sup>th</sup>. The purpose of this charity event is to raise an awareness of Catholic vocations. There are parishioners of St Jude participating in this race and the Mini. There will be a special Mass for vocations and a blessing for the runners and walkers. You can visit the website for more information, at [www.hearGodscall.com](http://www.hearGodscall.com). ### MONTH 8 – Developing Baby -- “I like to listen to my Mommy’s voice!” Spiritual Adoption Program

Now your spiritually adopted baby is finished developing and is concentrating on gaining weight, she might be making her mother uncomfortable with her size. She will need a layer of fat to help her stay warm after she leaves the perfect temperature inside her mother's womb. For some weeks now she has recognized her mother's voice. In a short time, her baby will be born. Your baby's mother appreciated the prayers you have said for her and her baby throughout the pregnancy. It has not been easy, but your prayers have given her the grace she needed to bring her baby to term.

Give thanks to the LORD  
for He is GOOD;  
His LOVE is everlasting.
